BEFORE YOU GO

Tips and tricks

Papers

- **Visa first.** Check the rules for *your* passport before you buy the ticket.
- **Thailand:** look at the DTV, the long-stay visa for remote workers.
- **Vietnam:** you need an e-visa before you fly.
- **Onward ticket.** Airlines and border officers can ask how you are leaving. Have an onward ticket ready.
- **Health insurance** for nomads: SafetyWing is the one most people use.
- **Keep every boarding pass.** In Vietnam I had to prove where I came from.
- **Passport photos in the cloud**, and a paper copy in a different bag.

Flights

- **International layover: 2 hours minimum.** Less and one delay costs you the next flight.
- **AirAsia: 7 kg cabin bag, and they mean it.** In Sri Lanka they weighed twice, once at check-in and again at the gate.
- The trick: a mini backpack under a light jacket with the laptop and heavy things, and full pockets. Yes, two pairs of pants works.
- **Kuala Lumpur transit:** you leave the transit area, and the bags are weighed again before you get back in.
- **Boats in Thailand:** book speedboats on Bookaway (e.g. Ao Ton Sai pier, Phi Phi).
- **Costa Rica domestic:** small planes with Sansa save a day on the bus.
- **Colombia buses:** Pinbus. **Panama:** the night bus Bocas – Panama City.
- **New Zealand:** the Kiwi Experience bus tour.
- **Rental cars:** rentalcars.com is hard to beat on price.

Landing

- **SIM before immigration.** In Vietnam it takes one minute at the airport. Or set up an Airalo eSIM before you fly.
- **Grab** from the airport in Southeast Asia: fixed price, no haggling.
- **Find people:** Meetup.com, the coliving events, and asking the person next to you in the café.
- **Research:** Nomad List for cities, justonewayticket.com for honest blog posts.
- **Surf:** Windguru for the forecast; beach cams before you drive (e.g. Praias Mafra in Ericeira).
- **Health:** one good massage after a long flight. Ask at the coliving who people go to.

The seasons, in short

- **Nov – Jan:** Chiang Mai. Leave before the burning season (about Feb – Apr): the air gets bad.
- **Apr – Oct:** Bali dry season. Canggu, Uluwatu, Bingin.
- **Dec – Mar:** Sri Lanka south coast: Ahangama, Weligama, and Madiha and Hiriketiya (both mega nice).
- **May – Sep:** Sri Lanka east coast surf: Arugam Bay, Pottuvil, Peanut Farm.
- **Nov – Apr:** Mexico, Guatemala, Costa Rica, Colombia: the dry months.
- **Winter:** Canaries (Tenerife, Fuerteventura), Madeira, south Portugal.
- **Summer:** Portugal coast, Crete, Turkey, Georgia, Bulgaria (Bansko is a ski town in winter too).
